Dear Partners,

First of all, second of all, and third of all, I just wanted to say thank you, thank you, and thank you! We have had an awesome year, and it's all because of all of you. Tears are welling up in my eyes as I write this (literally) because God has used each and every one of you guys to help accomplish everything that we were able to achieve this year. November is the time of Thanksgiving and reflection. As I reflect, I see many of your faces, trusting your hard-earned money and planting in this ministry. You could've given it to the thousands of other ministries and charitable organizations, but you chose to sow it into our ministry (we are good ground). With your partnership, we raised almost half a million dollars for the down payment on our new campus! We were able to purchase our new 4.5-acre campus, including a 27,000 sq ft church, and we were able to do over \$140k of renovations to the sanctuary that we just finished. Thank you again, as I know you have reaped the harvest. I pray that you get an even greater harvest in all the areas of your life.

Our ministry is also a partner with Dr. Gabriel Rogers and Kingdom Christian Church. I have good news! Dr. Rogers and KCC have totally paid off all debts, and we are excited and happy for them. When you partner with us, you also partner with them. It's called a twice-sown seed.

1 Thessalonians 5:18 (KJV) "In every thing give thanks: for this is the will of God in Christ Jesus concerning you."

I want you to take a moment and reflect on this last year, although it's not over yet. I want you to think about the fact that God has been good to you. Let thanksgiving well up in your heart until tears well up in your eyes, and then just let out the loudest "Thank You Jesus" that you can!

I am so thankful for you. Some of you are one-time givers who are partners. Some of you are monthly givers. We have people who give as little as \$10 per month, and we have another partner who sows \$1,000 per month. We are thankful for all of them and the ones in between. Here is what I would ask of you. If you are not a monthly partner, please consider partnering with us at the \$25, \$50, or \$100 level. Every amount counts! Think of it: if we get 1,000 people to sow \$50 per month, it will bring in \$50k per month for the advancement of the Kingdom. How much ministry and how many lives could we touch with that amount of money?

So, I ask you to take a minute ride now and sign up on this enclosed partner slip. You may only want to make a one-time donation; you can do that here, too.

I am thankful for all of you who will donate today! We are praying that God gives you a 320 harvest. 320 comes from Ephesians 3:20, which says:

Ephesians 3:20 (KJV)

"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,"

Until He Comes

*As a partner, you get the same
reward as those on the front line!*

1 Samuel 30:24

"...For as his share is who goes down into the battle, so shall his share be who stays by the baggage. They shall share alike. "
