

Dear Partners,

*Proverbs 11:24-25 says, "There is that scattereth, and yet increaseth; and there is that withholdeth more than is meet, but it tendeth to poverty. The liberal soul shall be made fat: and he that watereth shall be watered also himself."*

The carnal Babylonian system works one way, and God's system works another way. If we want to prosper in this life, we have to learn God's system. God's system is the opposite of the world's system. The world says if you want more, then you have to make more and keep more. However, God says if you want more, give me more. This is God's system!

This scripture in Proverbs teaches us the paradox of giving. One is called the scatterer or the giver, yet that person gains and increases. This makes no sense to the carnal-minded person. Carnal people ask, "Why are you giving all that money to the church? You could have used it to pay some bills or to become debt-free." Yet, Kingdom people know and believe that "if it's not enough to meet the need, you have to sow it as a seed." This principle switches jurisdictions of your money from the world to the kingdom and causes it to multiply back to you.

The Proverb goes on to say that "it is the liberal soul that will be made fat or rich." Because you are a partner in the Kingdom business, God will take care of

your business. Lady Regina Long and I have experienced this over and over in our lives. God has continually moved us from one level to the next through our seed-sowing. We want to invite you to continue partnering with us by praying, giving, and inviting others to be a part of what we're doing at the Kingdom Church of Houston.

We are still raising \$50,000 for the remainder of renovations and our King's Kids playground. Please pray and consider sowing a seed today to help us reach our goal.
