Dear Partners,

Happy New Year! The Lord shared with us that this is the Year of Vindication!

Psalm 17:2 "Let my vindication come from You, for You see what is right."

1 Peter 2:7 "Therefore, to you who believe, He is precious; but to those who are disobedient, "The stone which the builders rejected has become the chief cornerstone,"

Almost everyone I meet these days has been through some type of trauma and rejection. I believe the enemy plans to cause this early in life. We have taught extensively on ACES (Adverse Childhood Experiences) in the past. By the time I was a teenager, I had experienced 8 out of 10 of them. This set me up to always need validation. I would do anything for validation and vindication. But notice what David said in the Psalms; he said his vindication would come from God.

You see, it's not wrong to want or even crave vindication. But it's wrong to seek it from the wrong source. Rejection can also create this longing for validation and vindication. Notice in 1 Peter 2:7 that Jesus was the stone that the builders rejected; yes, Jesus experienced rejection. But ultimately, he **became** the chief cornerstone. The operative word is "became". This tells us that there is a period of time between the time that you are rejected and the time that God vindicates you. Vindication = cleared (someone) of blame or suspicion. Shown or proven to be right, reasonable, or justified.

This year, God has spoken that people who belong to and are faithful to Him... He will vindicate.

Stop trying to prove yourself to others. Stop trying to validate yourself. Stop trying to prove that you are innocent or right or justified. Don't even try to prove that you are a Christian. Let God do that, and He will. Stop arguing and striving with people about spiritual things. God will show who's right and who's wrong!

This year, God has given us the mandate of 1,000 souls. Since the beginning of 2024, we have had over 50-60 visit our campus, and we have had 17 salvations and 8 baptisms. We are looking to put \$10,000 into evangelism and marketing leading up to Resurrection weekend. We are looking to have a public showing of the movie The Passion of the Christ on Good Friday, Sunday Service, fun on our church grounds for the children in the community, and a showing of the movie Risen on that Sunday evening. We are also planning more Sunday Evening Theatre events to reach the lost.

We are in the final stages of renovations for our community daycare to be licensed. The total on everything will be upwards of \$30k. We ask that you partner with us! 40 people sowing \$1,000 would get us there through April's projects. If you can't sow \$1000, we are asking you to sow the best gift that you can this month. Remember, we are praying that all your God-given projects are successful this year.

Remember, this year is the Year of Vindication!
